2 Samuel 12, Psalm 51

If 2 Samuel 11 is a case study of sin, 2 Samuel 12 is a case study of restoration.

Here we discover that restoration involves God's grace and our repentance . . .

COMING NEXT WEEK:

David and Absalom | 2 Samuel 15-18

Growth Groups are the glue that hold our church together. Growth Groups are groups of 6 - 12+ people that meet together during the week to process and apply the message, pray together, care for another and live life together. If you are interested in joining a Growth Group, go to gracecentralcoast.org.

Connecting and Caring for One Another

As you come together this week as a group, take time to connect and share your joys and trials with one another.

Digging into God's Word & the Message Together

1. How did you come under God's Word in the message and text this week? What did you learn about the restoration and the reach of God's grace and forgiveness?
2. Read 2 Samuel 12:1-15 and Psalm 51 again together as a group. How do these texts inform and relate to one another?
3. How does God pursue David with grace?

4. Sometimes we think that forgiveness means no consequences. How does the story of David in 2 Samuel 12 challenge that assumption?
5. Why does grace only make sense in light of truth? What truth does Nathan share with David?
6. What is the foundation of David's repentance at the very beginning of Psalm 51?
7. What does David see and say about his sin in Psalm 51:4 and why is this so critical in repentance?
8. Is repentance something just for the big sins we commit in our lives? If not, how do we cultivate and practice repentance with the daily sins of life?

Praying Together

James tells us to "confess your sins" to one another. So practice repentance as you pray together. (Use the Repentance part of the outline as a guide!)

Share needs and pray for one another.
