This week, since heart faith will produce practical action and a living witness, encourage a Christian friend in our church by sharing the action of faith and witness of faith you see in their life.

## Living Faith in the Lives of Abel, Enoch and Noah

Hebrews 11:4-7

*Growth Groups are the glue that holds our church together, the way we find and follow Jesus together. If you are not involved in a Growth Group, now is the perfect time to jump in at*

**CONNECT** *(ask these questions to check-in with your group)*

*Share about someone who has been a living example of faith for you.  
How has their heart faith produced action and witness?*

**DISCUSS** *(use some of these questions to process God's Word together)*

1. Read Hebrews 11:4-7 together as a group. How did you "come under" God's Word and the message this week? What did you learn? What were the takeaways?
2. Look at Hebrews 11:1-3 and 12:1-3. How do all these examples of living faith in the middle of chapter 11 relate to and connect these texts? How do these two texts "bookend" the middle? What's the flow here?
3. Explain the "inside out" nature of faith. Are Abel, Enoch, and Noah justified as righteous by their obedient action or by their faith? Can you prove that using the text?

4. Which of these three guys do you most connect with and why?
5. These three guys remind us that faith involves worship, a walk, and obedience. Which of those three is least developed in your life?
6. Who is watching your life? Where is the place where God has placed you to be a witness of faith in word and deed?

**PRAY** *(use these prompts to pray in response to God's Word)*

- Pray for one another's worship, walk, and obedience of faith.
- Pray by name for those to whom God has called you to serve as a witness of faith.
- Pray for one another's needs and for one another's living faith in the face of those needs.
