The Gospel to Africa

Acts 8:26-40

Sunday, March 26, 2017

The strange encounter between Phillip and the Ethiopian Eunuch is one more in a series of critical thresholds as the Gospel begins to bust out of Jerusalem and move toward the “ends of the earth”. It’s also brimming with Gospel application . . . for both Christians and not-yet Christians . . .

Where We are in Acts and How This Episode Fits

- Acts 7 | Stephen’s Message: God is on MISSION with His people
