CONNECT *(ask these questions to check-in with your group)*

Share with one another something good, bad and beautiful from the last week.

DISCUSS *(use some of these questions to process God's Word together)*

1. Read Hebrews 11:23-28 together as a group. How did you "come under" God's Word and the message this week? What did you learn? What were the takeaways?
2. Read Hebrews 11:1-2. Connect Moses' living faith to those verses. How is Moses an illustration of those verses? What invisible thing does he see? What hoped for thing does he have a conviction about?
3. The author of Hebrews glosses over the fact that Moses murdered an Egyptian. What do we do with that and can we see the living faith even in that misguided sinful action?

4. We noted 6 lessons from the living faith of Moses. While we don't all experience all of these things all the time, most of us will experience most of these things over time. Do you agree or disagree?
5. Why is it valuable to consider these lessons of faith before we experience them? In other words, why do we prepare for the challenges of our race of faith, before we get to them?
6. **NEXT STEP CONVO:** Which of the 6 lessons from the living faith of Moses have you personally experienced? Which have yet to be experienced? Which has been and/or will be most challenging for you and why?

PRAY *(use these prompts to pray in response to God's Word)*

- Pray for one another in those circumstances where God is calling you to trust His sovereignty and His promises.
- Share your trials and challenges and pray for enduring faith in those trials.
- Pray for one another's faith to grow so we can run our race of faith no matter what comes in the days ahead.
