---

### 3. The Gospel and OUTSIDERS (3:1–11)

- The GOSPEL & GOOD works towards outsiders GO together (3:1–2, 9–11) because by GOD'S saving & transforming GRACE alone we are no longer outsiders (3:3–8).

*How does what we believe relate to what we do? How should we relate to those who have different beliefs than we do? These are two of the big questions Paul addresses in his letter to Titus, and we will see that the gospel and good works cannot be separated and that those good works include silencing false teaching and faithfully loving the lost.*

### 1. The Gospel and the NEXT GENERATION (1:1–16)

- LEADERS required (1:5–9) because LIARS are around LEADING others astray (1:10–16).

### 2. The Gospel and LIFE TOGETHER (2:1–15)

- Teach that the GOSPEL & GOOD works in our life together GO together so that GOD is praised (2:1–10) because GRACE appeared and GLORY will appear (2:11–15).
