Growth Groups are the glue that hold our church together. Growth Groups are groups of 6 - 12+ people that meet together during the week to process and apply the message, pray together, care for another and live life together. If you are interested in joining a Growth Group, go to gracecentralcoast.org.

Connecting and Caring for One Another

Welcome to Spring quarter! As you come together as a Growth Group, share how you are and what's going on. This connection time is a vital part of Growth Groups.

Digging into God's Word & the Message Together

1. How did you come under God's Word in the message and text this week?
2. We're talking about Jesus, our King, this Easter week. While we don't think in king terms as a culture, every one of us still crowns counterfeit kings across our lives. What are some of the counterfeit kings in your and others' lives? (It's always easier to talk about "them out there." Resist that tendency and talk about "me/we here.")
3. How does this text show Jesus as the Sovereign King? The Promised King? The Humble King? The Surprising King? (Do you see HOW this text is showing and teaching that?)

4. Which one of those kingly qualities of Jesus did you most need to hear at this moment in your life and why?
5. What are one or two intentional ways you can look to and engage with Jesus, our King, this Easter week?

Praying Together

As you share the hard things of life, look to, pray in light of and praise Jesus, our King. We cannot fix the brokenness of our lives, but we can look to Jesus, our King. He can and He will one day fix the brokenness and make all things new.
