*Jesus, Moses, and all New Testament authors tell us that the whole story of the Bible points forward to the person and work of Christ. So, when we read the Life of Moses rightly, we see it pointing us to Christ. As we see Christ as the true and better Moses, we are encouraged with how, in Christ, we have a greater prophet who leads us to a greater promised land.*

1. The \_\_\_\_\_ points us to the \_\_\_\_\_.  
(Luke 24)

**NEXT STEPS** to help us apply God's Word

- Read through a book of the Old Testament with a friend looking for ways it points forward to Christ.
- Spend some time thinking and praying about any ways you are currently not listening to Jesus. Confess, repent, and remind yourself of the Gospel.
- Write out a list of issues you wish God would fix in your life. Then think through why His redeeming you from sin is a greater blessing than each one of those other issues being fixed.

2. In Christ, we \_\_\_\_\_ to a greater \_\_\_\_\_.  
(Deut 18:15 / Luke 9:26–38)

*Growth Groups are the glue that holds our church together, the way we find and follow Jesus together. If you are not involved in a Growth Group, now is the time to jump in at [gracecentralcoast.org](http://gracecentralcoast.org).*

*This year, our aim is to see our Growth Groups embody our 3-fold identity as followers of Jesus: Family, Servant, and Missionary. To that end, we're framing our Growth Group Interaction Guide to help groups move in that direction.*

*During the COVID-19 crisis our groups are meeting live and virtually using Zoom and other online platforms.*

**CONNECT** *(ask these questions to check-in with your group)*

Share with each other one thing you're looking forward to this Summer.

**DISCUSS** *(use some of these questions to process God's Word together)*

1. How did you "come under" God's Word in the texts and message this week? What was new, fresh or challenging?
2. Read and compare Deuteronomy 18:15–19 with Luke 9:28–36, discussing how the Luke passage connects to and fulfills Moses's prophecy in Deuteronomy.
3. Read and compare Exodus 6:6 with Colossians 1:13–14. What ideas are presented in both, and how is Jesus the fulfillment of a greater exodus for us?

4. How should Jesus's words in Luke 24:27, 44–46 shape how we read the Old Testament?
5. Have one person share the Gospel with the rest of your group, using the words "deliver" and "redeem" to explain what God has done for us in Christ.
6. We all struggle to faithfully listen to Jesus and all He calls us to do. Share with each other: when you stop listening to Jesus, what other voices do you start to listen to instead?
7. How could we use truths from this week's texts and message to share the hope of Jesus with those around us who don't yet know Him?

**PRAY** *(use these prompts to pray in response to God's Word)*

- Pray for us to have a Christ-centered view of Scripture and our lives.
- Praise God for how He has redeemed and forgiven us in Christ.
- Pray for one another's needs and those who need Jesus.
