Each week, we provide these questions for our Growth Groups. Growth Groups are the glue which holds our church together. Most groups are on break for the summer, but enrollment will happen again this Fall.

This summer, we are continuing to provide questions in the hope that families and households might use them to interact with the message content of our summer series, "The God You Can Know."

Digging into God's Word & the Message Together

1. Did our time Sunday thinking about God's sovereignty increase your trust in God? What do you wrestle with as you think of God's sovereignty?
2. Think of a specific trouble you are in and share how the sovereignty of God helps you in the way you think about it.
3. Name 5 good things that happened to you today...and then thank God for them & give God the glory.

4. What other attributes of God help you in coming under God's sovereign rule?

5. Read Psalm 33 and note which verses share of God's attributes & which are about what our response should be.

6. Read Psalm 145 and list all the attributes and descriptive action words of God. (I found 32)

Praying Together

Pray with open hands and palms up reflecting an open heart to Jesus...that He might lift us up. Lift up prayers of adoration & praise, as well as confession for any idolatry you are struggling with. Ask God to help you fully trust in His sovereign authority & care... and for His help in submitting to His will.
