Galatians 5:13-18

Sunday, July 13, 2008

1. Read Galatians 5:13-26. What is the clear contrast that Paul is drawing in these verses?
2. What are the 3 different ways that Paul describes the control of the Spirit in our lives? (look in verse 16, verse 18, and verse 25)
3. Where is the one place in these verses that Paul mentions God's law? Does he give us a list? What is the summary of God's law? Is love harder or easier than list-checking?
4. When Paul says in verse 13, "through love serve one another," what is he really saying in the original language? Do you remember?
5. What happens when we walk by the Spirit according to verse 16?
