

God is Good in the midst of SUFFERING

- The statements "GOD exists" and "SUFFERING exists" are not logically INCOMPATIBLE

- The problem of evil is usually not an INTELLECTUAL problem, but an EMOTIONAL one

God is GOOD

Psalm 34

God is Good all the time! All the time, God is Good! If you have trouble accepting that Biblical truth, you aren't alone. Every person in this world struggles with accepting Goodness as God defines it, but even in our darkest seasons, we can trust that God is Good and He has the absolute best desires for each of us.

God is GOOD

Psalm 34

Each week, we provide these questions for our Growth Groups. Growth Groups are the glue which holds our church together. Most groups are on break for the summer, but enrollment will happen again this Fall. This summer, we are continuing to provide questions in the hope that families and households might use them to interact with the message content of our summer series, "The God You Can Know."

Digging into God's Word & the Message Together

1. Considering that everything God Himself does is good, take a moment to share how God has been good to you in your life in one small way and in one large way.

2. If God is the standard for all goodness, why do we struggle to accept what He defines as good? How do we align ourselves with His definition?

3. Why is the "problem of evil" an emotional problem for most people? Would it help if we could definitively prove that God can be good in the face of suffering?

4. How can Romans 8:28 be applied in your life right now? How can we trust that God truly is good all the time?

Praying Together

Pray to surrender your definitions of good and ask God to show you what is truly good and right in your life. Praise Him for His goodness and pray to accept His goodness.
