

**3. We all long to be SEEN and yet we struggle to SEE others.**

The Gospel is the good news that God SEES us and can change the way we SEE others.

**4. We all need KINDNESS ourselves and others need KINDNESS from us.**

The Gospel is the good news that God has been LOVINGLY KIND to us in Jesus and therefore we get to share His KINDNESS with others.

*This week, we consider the third movie of our 2018 Reel Grace series with a look at Wonder, about a boy with facial differences and those who surround him. The good, the true and the beautiful shine brightly in Wonder and point us to several Gospel truths . . .*

**1. We all are fighting HARD BATTLES.**

The Gospel is the good news that God KNOWS our HARD BATTLES and is PRESENT in them.

**2. We all are CONNECTED to and IMPACTING others in so many ways we don't RECOGNIZE.**

The Gospel is the good news that God has created us for COMMUNITY and we can't do life ALONE.
