Growth Groups are the glue that holds our church together, the way we find and follow Jesus together. If you are not involved in a Growth Group, now is the perfect time to jump in at gracecentralcoast.org/groups

CONNECT *(ask these questions to check-in with your group)*

When someone visits our church, what do you think they experience? What values do you think are clear? Is our commitment to God's Word clear? How is that commitment communicated?

DISCUSS *(use some of these questions to process God's Word together)*

1. Read Philippians 2:1-16 together. How did you "come under" God's Word and the message this week? What did you learn? What were your takeaways?

2. What is culture? What are some examples of a healthy culture? What are some examples of an unhealthy culture?

3. What is the purpose of our Fall Vision Series in the life of our church? How aware are you of new guests to our church? How might the series serve them? How might the series serve long time regulars?

4. Looking at the 3 ways we hold fast to God's Word, do you feel like you're involved in all 3? Which needs improvement in your life?

5. What happens if we as a church stop "holding fast" to God's Word?

PRAY *(use these prompts to pray in response to God's Word)*

- Using Philippians 2 as a springboard, pray for our church and our holding fast to God's Word together in the three ways we highlighted in the message.
- Share and pray for one another's needs.
